RE: Implementing a Nationwide, Broadband, Interoperable Public Safety Network in the 700 MHz Band - WT Docket No. 06-229
Notice of Ex Parte Presentation

Dear Ms. Dortch:

On Friday, November 12th, Byron Neal, Syniverse Technologies Chief Network Architect and I met with several FCC staff members to discuss the functionality of a common clearinghouse as it relates to wireless roaming services. Attached for your reference is a copy of our presentation. Please do not hesitate to contact me if you require any additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "David Robinson", written over a light grey background.

David Robinson
